Hand-drawn diagram of a 2D array structure. The array has 25 columns and 10 rows. The columns are indexed 11 to 24, with an additional column labeled 'H'. The first row contains binary values: 1, 1, 1, 0, ..., 0, 1, 1, 0, ..., 0, 0, ..., 0, 1, 0, ..., 0. The array is enclosed in a blue border, and the first row is highlighted with an orange line.
